

GREENHORIZONS PRODUCT DATA SHEET

AGGRESSOR PRO BENTGRASS BLEND

Greenhorizons exclusive blend of Aggressor Pro bentgrass is an exceptional blend of MacKenzie and Tyee, two top-rated, new bentgrass varieties. Each of these varieties has been consistently rated amongst the top bentgrasses in the National Turfgrass Evaluation Program (NTEP) field trials for performance under pressure. Designed to create true greens surfaces with excellent resistance to heat stress, drought stress and wear, this blend also boasts outstanding disease resistance. Light green in color to blend well with Poa annua.

IDEAL APPLICATIONS

- Golf course greens
